

NUTJAREE KORTNAVUNG

— DATA ANALYST | DATA SCIENCE

Address: Samut Sakhon 74130, Thailand
Phone: 098-749-1603
Email: nutjareext@gmail.com

SUMMARY

Analytical mind with a passion for turning 'big data' into 'right data.' I specialize in distilling vast amounts of information into intuitive visualizations and predictive insights that simplify complex choices. Committed to continuous learning, I strive to deliver data solutions that don't just show what happened, but explain why it matters and what to do next.

WORK EXPERIENCE

Capstone Project - Machine Learning Comparison for Traffic Accident Severity **December 2025 - March 2026**

- Developed a Machine Learning framework to classify road accident severity, comparing multiple models including Random Forest, XGBoost, and Decision Tree.
- Created an advanced Power BI dashboard for in-depth traffic accident analytics, serving as a strategic tool for safety surveillance, emergency preparedness, and proactive response.

Cooperative Education - Nonthaburi Provincial Public Health Office **July 2025 - October 2025**

- Analyzed and designed a comprehensive database focusing on Population, Birth, Death, and Life Table statistics for Nonthaburi Province.
- Developed an advanced Grafana dashboard using advanced data visualization to monitor public health trends and enhance emergency surveillance for medical executives.

Part-Time

- Moshi Moshi Retail Corporation - Warehouse Officer **April 2024 - June 2024**
- Siamchai Service Co Ltd. - Social Media Administrator **May 2023 - June 2023**

KEY SKILL

- **Programming:** Python (Pandas, NumPy, Scikit-learn), SQL (MySQL)
- **Technical Skills:** Machine Learning (Regression, Classification, Clustering), Data Cleaning, Exploratory Data Analysis (EDA), Statistical Analysis
- **Tools & Platforms:** Power BI, Grafana, Microsoft Office (Advanced Excel, Word), Canva
- **Soft Skills:** Team Collaboration, Work well under pressure
- **Languages:** Thai (Native), English (Basic to Intermediate)

EDUCATION

Bachelor of Science, Data Science - Silpakorn University **2022 - 2026**

- **GPA :** 3.01
- **Core Coursework :** Machine Learning, Big Data Analytics, Data Mining, Database Management Systems.
